

Fulbright Teaching Excellence and Achievement Program

The Fulbright Teaching Excellence and Achievement (Fulbright TEA) Program brings international secondary-level teachers to the United States for a six-week program that offers academic seminars for professional development at a host university. Participants observe classrooms and share their expertise with teachers and students at the host university and at local secondary schools.

Program Activities and Timeline

General academic seminars focusing on new teaching methodologies, content-based instruction, project-based learning, infusing thematic topics into curriculum, lesson planning, and instructional technology training for teachers.

A practicum of at least 40 hours with a U.S. partner teacher in local secondary schools.

A variety of relevant professional development and cultural activities.
